Bob Dylan/Danny O'Keefe **Key Fm**

Chorus **Bass F Ab C C Eb C** **Alto F Ab C C Eb C** **SOPS C Eb F F Ab F**
WELL, WELL, WELL, WELL, WELL, WELL,
WELL, WELL, WELL, WELL, WELL, WELL.

V/1 **Bass C (on man)** **Alto Octave**
The man who stole the water will swim for evermore
But he'll never reach the land on that golden shore
That faint white light will haunt his heart
Till he's only a memory lost in the dark

Bridge **Bass F (on hole)** **Alto Octave** **SOPS Ab**
DIG A HOLE IN THE GROUND, STRAIGHT DOWN TO HELL
TILL THERE AIN'T NO MORE WATER IN THE WELL, WELL, WELL
WHEN YOU'RE DOWN ON YOUR KNEES WITH NOTHING LEFT TO SELL
TRY DIGGIN A LITTLE DEEPER IN THE WELL, WELL, WELL

Chorus WELL, WELL, WELL…etc

V/2
The water used to run so clear and so fresh
Now poison creeps through it, and withers the flesh
The man sells us back our water like we're fish on his line
Tryin' to turn our blood into his wine

Bridge DIG A HOLE…..etc

Chorus WELL, WELL, WELL…etc

V/3
So take care of your body like you care for your soul
Don't you dig yourself into a hole
Until you've paid the price you can't know what it's worth
The air and water; the fire and earth

Bridge x 2 - DIG A HOLE…..etc

Chorus
WELL, WELL, WELL, WELL, WELL, WELL,
WELL, WELL, WELL, WELL, WELL, WELL. **x 2**
